

204 – Curriculum Policy

At The Well Academy Preschool, we strive to maintain a standard of godliness and excellence in education. As such, we have selected a curriculum to help us achieve that end.

Students of school age who are enrolled in our care program will not have a specific curriculum assigned, as they will be responsible to perform and complete their own school work. Our teachers will be happy to help students and to facilitate their work, but in-depth instruction will not be provided.

Age	Curriculum
2 year olds	Abeka Phonics, Math, Bible, Language Development
3 year olds	Abeka Phonics, Math, Bible, Language Development
4 year olds	Abeka Phonics, Reading, Manuscript writing (printing), and Numbers
